

 Together we are the:  
**Game Changers**

*1 in 4 Bay Area residents are living in poverty.* UWBA works with you to fight against poverty on a scale that no single organization or individual can achieve on its own. We work with adults to help them thrive, empower youth with opportunities for good careers, and ensure families have access to basic needs. *Together, here's how we're changing the odds in the Bay Area.*

### Helping Adults Thrive

- In 2017, our *Earn It! Keep It! Save It!* program trained more than 2,800 volunteers who filed 72,000 tax returns for individuals and families; \$76 million was refunded back to the community.
- Through our *SparkPoint* centers, more than 5,400 low-income adults received financial education and career coaching.

### Empowering Youth

- More than 6,400 Bay Area youth ages 16-24 were served through United Way programs and the *Mayor's Youth Jobs+* initiative.
- More than 400 youth received professional resume reviews and interview training at the annual *Mayor's Youth Jobs+* Resource Fair.

### Providing Basic Needs

- Over 144,000 calls were answered through the *211 helpline*, resulting in 60,000 individuals and families connected to housing/shelter, utility, and food assistance.
- Through the *Emergency Food & Shelter Program*, \$1.8 million was distributed throughout the Bay Area, 1.5 million meals and more than 100,000 shelter nights were provided to low-income individuals and families.

Join us in changing the game across the Bay Area!
