OFFICE OF THE INTERNATIONAL PRESIDENT

August 25, 2017

Dear Fellow Machinists:

United Way is one of our nation's great sources of philanthropy. For over 75 years, IAM, along with other unions, have taken great pride in supporting United Way. Even in times of economic distress, we have joined forces to advance the common good of all Americans. With your support, our partnership with United Way can help improve the quality life for working families.

Too many families are struggling to make ends meet. Too many children aren't receiving the education they need to succeed. And millions of people are now at risk of losing affordable, quality healthcare they've come to rely on. Partnerships with organizations such as the United Way increase our ability to make meaningful improvements in the lives of workers and their families.

I urge you to join us in doing our part to make this year's United Way campaign the most successful ever. As Fighting Machinists, we are particularly strong in our ability to make our home a better place.

Thank you.

Sincerely,

Bob Martinez
IAMAW
International President
