Dear Ms. Terry:

The United Mine Workers of America (UMWA) hereby endorse the 2017 AFL-CIO—United Way National Partnership Agreement.

The UMWA understands that too many families are struggling to make ends meet; too many children are not receiving the education they need to succeed; and millions of people are now at risk of losing access to affordable, quality healthcare that they have come to rely on.

Partnerships with organizations such as the United Way increase our ability to make meaningful improvements in the lives of workers and their families.

Sincerely,

A handwritten signature in black ink that reads "Cecil E. Roberts".
