# MEMORANDUM

OFFICE OF THE  
INTERNATIONAL PRESIDENT  
Kinsey M. Robinson

March 27, 2017

**To:** *Affiliated Local Unions*

**From:** **Kinsey M. Robinson**  
**International President**

**Re:** **2017 National AFL-CIO United Way Campaign**  
**Endorsement**

Too many families are struggling to make ends meet. Too many children are not receiving the education they need to succeed. In addition, millions of people are now at the risk of losing access to affordable, quality healthcare they have come to rely on. Partnerships with organizations such as United Way increase our ability to make meaningful improvements in the lives of workers and their families.

For this reason, I enthusiastically endorse and support the 2017 United Way campaign and ask that you do the same.
