REPORT OF INDEPENDENT AUDITORS

To the Board of Directors United Way of the Bay Area

We have audited the accompanying statements of financial position of the United Way of the Bay Area (UWBA) as of June 30, 2012 and 2011 and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of UWBA's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of UWBA's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements and assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to previously present fairly, in all material respects, the financial position United Way of the Bay Area as of June 30, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated November 29, 2012 on our consideration of the United Way of the Bay Area's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying schedule of expenditures of federal awards as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 – ORGANIZATION AND PURPOSE

United Way of the Bay Area (UWBA), incorporated in California in 1955, is an independent, locally managed nonprofit organization. It has been granted tax-exempt status under Section 501(c)(3), of the Internal Revenue Code and Section 23701(d), of the California Revenue and Taxation Code. Accordingly, no provision for income taxes is included in the financial statements.

As UWBA approaches its centennial, it is proud to be continuing a long tradition of leadership in the local nonprofit community by encouraging philanthropy and investing those dollars in programs to serve the health and human services needs of Bay Area residents. UWBA currently serves Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, and Solano Counties.

The Bay Area Community Fund (BACF), is comprised of the unrestricted funds donated to UWBA to support the achievement of its Community Impact goals. UWBA is committed to creating community change by positioning itself as an inclusive community leader in the seven Bay Area counties served, while honoring donors' philanthropic interests. UWBA's five-year Community Impact goals were identified in 2008 through a process of staff and partner research, community input sessions, and board and constituent discussion.

In response to the needs of the community, UWBA focuses its goals and its use of resources. In doing so, it may, from time to time, discontinue the management of specific programs. Discontinuance may include closing, merging, or establishing the independence of programs. When such transitions take place, the purpose has been and will continue to be enhancing the ability of the UWBA to concentrate its efforts on helping to cut the number of families living in poverty. The organization does this by pursuing programs and strategies in three areas: survival, stability, and prosperity.

Survival

UWBA undertakes prevention and intervention strategies to help people meet their basic needs like food, shelter, health care, and child care. Initiatives and programs offered in this category include the 211 Information and Referral System, the Earn It! Keep It! Save It! Program, and the Emergency Food and Shelter Program.

Stability

UWBA seeks to help every individual and household achieve financial stability in order to get beyond just trying to survive. The flagship program in this category is SparkPoint.

Prosperity

UWBA believes that every member of the Bay Area community deserves economic success. Initiatives and programs supported by UWBA in this category include MatchBridge, and Impact Grant-Making.

Impact Grant-Making - UWBA has learned that, in certain situations, the best way to help people improve their lives is to make grants to outstanding organizations providing high-impact services. In general, UWBA grant-making focuses on financial stability, education, the needs of children and youth, volunteerism, and disaster preparedness.

Grant proposals are evaluated on the basis of their alignment with UWBA's strategic plan as well as the agency's ability to demonstrate high standards in fiscal and programmatic operations, and overall organizational strength. Grants and the focus of grant-making activities are reported to and approved by UWBA's Board of Directors.

The following are specific programs and strategies managed by United Way of the Bay Area:

211 *Initiative* – 211 Bay Area strengthens the community by addressing the challenges people face obtaining needed health and human services in everyday life and in times of personal crisis. In times of disaster, 211 becomes an essential part of our response and recovery. As an easy-to-remember phone number, 211 provides callers with information about and referrals to essential services. Trained staff answers calls twenty-four hours a day, seven days a week, with the ability to respond in the caller's language through bilingual staff and tele-interpreting services.

UNITED WAY OF THE BAY AREA NOTES TO FINANCIAL STATEMENTS

SparkPoint – For decades, UWBA has partnered and convened across sectors, contributed to policy, and managed programs. Through the Bay Area Community Fund, UWBA has identified and invested in–both financially and through technical assistance – more than 250 high-performing local programs that create, promote, or protect financial stability by supporting children and youth, working families, and communities. The relationships, experience, and synergy stemming from this work have created the fertile ground on which UWBA is building its SparkPoint program.

United Way of the Bay Area has opened at least one SparkPoint Center in each of the seven counties it serves. The SparkPoint Center offers multiple services in one location for a person or family trying to move out of poverty. Examples of services include job placement, workforce development, credit repair, financial education and counseling, and access to public benefits like health coverage or child care.

As of June 2012, UWBA has launched ten SparkPoint Centers across the Bay Area. One more is currently in the planning stage. The UWBA is also proud to see the program being replicated in other cities and states and is pleased to share its learnings. Each SparkPoint Center is developed organically accordingly to local needs and assets. Partner organizations at each SparkPoint provide services and share a commitment to seven central concepts: (1) to offer an array of services in three areas – credit, income, and assets; (2) to seamlessly integrate service delivery, appropriately "bundled" and sequenced; (3) to provide financial counseling for all clients and motivate and support them with culturally competent staff; (4) to promote and provide access to public and private benefits and mainstream financial services; (5) to commit to continued engagement with clients over two-three years; (6) to evaluate, learn from and share data, supported by a user-friendly IT system that demonstrates results; and (7) to promote SparkPoint through the power of a common brand and marketing. The partners have also committed to pursue common goals and develop new indicators to measure success.

The Earn it! Keep It! Save it! (EKS) program is available at each SparkPoint Center, and strives to enroll EKS participants in the other services offered by the Centers. In addition UWBA and partners offer EKS around the Bay Area at approximately 200 free tax sites. IRS-certified volunteer tax preparers help individuals and families claim their maximum benefit and refund. EKS partners with hundreds of community organizations and other free tax preparation providers such as Tax-Aid and AARP Tax-Aide to process over 60,000 tax returns each year. EKS provides low to moderate income households with free, quality tax return preparation and access to asset building or income support resources such as public benefits, low or no cost bank accounts or financial education. EKS also ensures eligible taxpayers claim the Earned Income Tax Credit (EITC) which can amount to as much as \$5,751 per family.

Other community services – Community services represent the costs of eight UWBA community projects whose individual expenses do not exceed more than 30% of the total for this category. These projects target and support Bay Area communities to meet their needs across the stated issue areas. Expenses include the costs of program-dedicated staff, consultants, and grants to nonprofit organizations that provide services to the community pursuant to the programs' criteria and objectives. One example is MatchBridge. MatchBridge contributes to the development of San Francisco's workforce by connecting qualified young people age 16 to 24 to entry level jobs and internships in business. MatchBridge focuses on employment opportunities in the private/public sector and partners with schools and local youth-serving, community-based organizations to help achieve the goal of creating a workforce that is prepared, educated and ready to work in 21st century jobs. By working closely with its nonprofit, governmental, and for-profit partners, the program enabled over 1,000 youth to find employment. The MatchBridge program grew significantly this year as a result of joining forces with the City of San Francisco Summer Jobs+ program.

Community capacity building – Community capacity building represents UWBA staff and other operating costs in developing and managing UWBA programs, conducting appropriate and legal public policy advocacy, and engaging in other community activities in partnership with nonprofit and public sector organizations and labor councils.

Labor community services – Labor community services primarily represent the cost of UWBA staff, who are also members of Bay Area Labor Councils, and who provide assistance to union members and other people in need of basic welfare support. Historically, the Labor community service program provides direct assistance to thousands of individuals throughout the Bay Area each year.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and with the financial statement standards of United Way Worldwide. United Way Worldwide standards are required for membership and fully comply with U.S. Statements of Financial Accounting Standards applicable for not-for-profit organizations.

Use of estimates – Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and contingencies at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's estimates. Significant estimates include the provision for uncollectible pledges, useful lives of property and equipment, allocation of functional expenses, and the unfunded pension liabilities. The fair value of investments and pension assets are subject to material volatility based on market conditions. This could have a significant effect on these financial statements.

Classes of net assets – The accompanying financial statements are presented on the basis of unrestricted, temporarily restricted, and permanently restricted net assets.

Unrestricted net assets – Unrestricted net assets include resources available to support UWBA operations and temporarily restricted resources which become available for use by UWBA in accordance with the intentions of the donors. Unrestricted net assets are designated by UWBA's Board of Directors for specified purposes as follows:

	 2012	 2011
Future grants and programs General use	\$ 3,295,000 514,890	\$ 4,500,000 446,559
	\$ 3,809,890	\$ 4,946,559

As of June 30, 2012, the Board of Directors approved a full year's grants allocation as had been the practice in years prior.

Temporarily restricted net assets – Temporarily restricted net assets include resources with donor-imposed restrictions that will be fulfilled by actions of UWBA and/or become unrestricted by the passage of time. UWBA's temporarily restricted net assets include multi-year pledges as well as grants restricted for specific UWBA community projects. When the donor or time restriction is fulfilled, temporarily restricted net assets are released to unrestricted net assets and are reported in the accompanying statements of activities as net assets released from restrictions. Temporarily restricted contributions received in the same period as the restrictions are met are reported as temporarily restricted support and net assets released from restrictions.

UNITED WAY OF THE BAY AREA NOTES TO FINANCIAL STATEMENTS

Permanently restricted net assets – Permanently restricted net assets are comprised of the historical dollar value of contributions that were received with donor restrictions requiring the assets be maintained in perpetuity and that only the income generated from these assets is made available for grants, programs or support services in accordance with the donor restrictions.

Cash and cash equivalents – All highly liquid investments, with an original maturity of three months or less when purchased and not held through the investment account, are considered to be cash equivalents. Substantially all of the cash equivalent balances held in financial institutions at June 30, 2012 and 2011, exceeded federal depository insurance coverage. UWBA has not experienced any losses in such accounts.

Pledges receivable – Pledges receivable consist of unconditional promises to give by donors and are recorded at fair value. Pledges receivable are net of provisions for uncollectible pledges.

Provisions for uncollectible pledges – The provision for uncollectible pledges is computed based upon historical averages and management's consideration of current economic factors that could affect pledge collections. Using this criteria, the provision as of June 30, 2012 and 2011, was determined to be 5% and 8% of gross campaign pledges, respectively. For fiscal years ended June 30, 2012 and 2011 there are bad debt recoveries of \$322,612 and \$253,751, respectively, as a result of closing out the prior year campaigns. These recoveries are netted against the gross provision for uncollectible pledges on the statements of activities.

Grants receivable – Grants receivable consist of unconditional promises to give by granting organizations. Unconditional promises to give that are expected to be collected during the following fiscal year are recorded at the amount contributed. Unconditional promises to give that are expected to be collected in future years are recorded at the fair value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable in the years in which those promises are received. The discount rates range from 0.22% to 4.91%. Grants receivable are net of discounts of \$2,923 and \$6,260 at June 30, 2012 and 2011, respectively.

Investments – UWBA's investments are stated at estimated fair value based on quoted market prices at fiscal year-end. Investments include money market funds and marketable securities held principally for investment purposes. Unrealized gains and losses that result from market fluctuations are recognized in the period such fluctuations occur in the statements of activities. Realized gains and losses that result from sales or maturities of securities during the year are calculated on an adjusted cost basis and are reflected in the statements of activities. Marketable securities received as donations are recorded at estimated fair value at the date of the donation, and are generally sold as soon as practical after receipt.

Fair value of assets and liabilities – Fair Value Measurements define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of input that may be used to measure fair value:

- Level 1 Quoted prices in active markets for identical assets or liabilities.
- Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in active markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such instruments pursuant to the valuation hierarchy.

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. Level 1 investments include cash and cash equivalents, fixed income securities, and exchange traded equities. Level 2 investments include investments held in pooled income funds and are valued at market price as provided by the custodian of the funds.

Property and equipment – Property and equipment are stated at cost, if purchased, or if donated, at fair value at the date of the donation for items exceeding \$5,000. Depreciation is computed on a straight-line basis over the estimated useful lives of the assets, ranging from three to ten years. Total depreciation expense amounted to \$93,561 and \$107,325 for the years ended June 30, 2012 and 2011, respectively.

Deferred rent – Certain leases of UWBA contain lease incentives and fixed escalations. UWBA recognizes the related rent expense on a straight-line basis over the life of the lease. For the years ended June 30, 2012 and 2011, deferred rent relates only to the current San Francisco office lease.

Gross campaign results – Gross campaign results consist of cash and unconditional promises to give to UWBA during the annual fundraising campaigns and include contributions processed by third-party processors. Donor designations and the provision for uncollectible pledges are deducted from gross campaign results to arrive at campaign revenue.

Donor designations and service fee revenue – Donor designations, contributions that are designated by the donor to nonprofit organizations other than UWBA including contributions processed by third-party processors, are deducted from gross campaign results to arrive at net campaign revenue. Donor designations are paid to the designated organizations on a monthly basis, by electronic funds transfer (EFT) as information allows and on a quarterly basis by check for all others, as pledges are collected. Proportionate shares of the receipts are distributed out to the agencies net of service fees. Service fee revenue is reported in the statements of activities. This designation processing is inclusive of pledges and payments processed as part of UWBA's role as a federation for the Combined Federal Campaign as well as other state and local government-sponsored fundraising campaigns.

Planned gifts – Planned gifts that are irrevocable are recognized as a receivable when amounts due to UWBA can be reasonably estimated. As of June 30, 2012 and 2011, UWBA has only one type of planned gift – pooled income funds. Assets associated with these gifts total \$160,665 and \$155,382 for 2012 and 2011, respectively, at fair value and are included in investments. Liabilities associated with these gifts total \$29,477 and \$30,794 as of June 30, 2012 and 2011, respectively, at fair value and are included in operating payables and accruals.

Donated goods and services – UWBA recognizes the value of donated equipment and/or supplies at the fair value for similar items. Donated goods and services for the years ended June 30, 2012 and 2011, of \$756,514 and \$218,588, respectively, were reflected as "Miscellaneous contributions" in the accompanying statements of activities. UWBA will recognize the fair value of donated services if the services meet the recognition criteria which include a) requiring specialized skills; b) provided by someone with those skills; and c) would have to be purchased if they were not donated. Although UWBA receives a significant amount of contributed time from volunteers, this time does not meet the recognition criteria. Accordingly, the value of this contributed time is not reflected in the accompanying financial statements.

Gross funds awarded/allocated to agencies – The amount shown on the statements of activities includes grants to fund local community partners, UWBA initiatives and programs which amounted to \$4,205,000 and \$3,350,000 during the years ended June 30, 2012 and 2011, respectively. These grants have been recommended by staff working with a sub-committee of the Board of Directors and have been approved by the Board. However, to comply with financial statement presentation requirements, these grants are shown net of an offset amount to prevent revenue duplication between unrestricted and temporarily restricted accounts.

Functional allocation of expenses – The majority of expenses can be directly identified with the program or supporting services to which they relate and are charged accordingly. Other expenses have been allocated among program and supporting services classification based on the average number of full-time employees, the time study allocation method, and on a direct cost basis. This is consistent with the standards for allocation of functional expenses in accordance with accounting principles generally accepted in the United States of America and United Way Worldwide.

Concentrations of risk – UWBA receives approximately 46% of its gross campaign revenue from five employers. Four of these employers are nationally aligned through United Way Worldwide; therefore, the risk of loss of these employers by UWBA is remote.

Income taxes – UWBA adopted the provisions of FASB Accounting Standards Codification (ASC) 740-10, Income Taxes, relating to accounting for uncertain tax positions on July 1, 2009. UWBA evaluates uncertain tax positions in accordance with *Accounting for Contingencies* whereby the effect of the uncertainty would be recorded if the outcome was considered probable and reasonably estimable. UWBA had no unrecognized tax benefits at June 30, 2012 or 2011. UWBA files exempt organization returns in the U.S. federal and California jurisdictions. With few exceptions, UWBA is no longer subject to United States federal or state/local income tax examinations by tax authorities for fiscal years before 2007.

UNITED WAY OF THE BAY AREA NOTES TO FINANCIAL STATEMENTS

Subsequent events – Subsequent events are events or transactions that occur after the statement of financial position date but before financial statements are issued. UWBA recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statements of financial position, including the estimates inherent in the process of preparing the financial statements. UWBA's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statements of financial position but arose after the statement of financial position date and before the financial statements are available to be issued.

UWBA has evaluated subsequent events through November 29, 2012, which is the date the financial statements are available to be issued. See Note 13.

NOTE 3 – GRANTS RECEIVABLE

UWBA expects to receive grants receivable as follows:

	 2012	 2011
Amount due:		
In the next year	\$ 1,449,600	\$ 530,731
Between two and five years	 645,833	 397,585
	2,095,433	928,316

Total Miscellaneous contributions	\$ 1,31	2,135 \$	438,939	

NOTE 7 – COMMITMENTS

UWBA leases office space under noncancelable operating leases expiring at various dates through March 31, 2013. Lease agreements generally provide for both renewal options and escalation clauses for increased operating expenses and real estate taxes. UWBA subleases a portion of its San Francisco office space to other nonprofit organizations on a month-to-month basis. Sublease income for the years ended June 30, 2012 and 2011, was \$20,100 and \$16,050, respectively. UWBA is also committed under noncancelable operating leases for various office equipment. On July 30, 2012, UWBA signed an amendment to its existing lease the with Eastmont Towne Center, Oakland, that extended the term to 7 years and reduced both the square footage and the rent for its Oakland SparkPoint Center. Revised terms are slated to commence on or about December 14, 2012.

Future minimum commitments under noncancelable operating leases having lease terms in excess of one year as of June 30, 2012, are as follows:

Years Ending June 30,	
2013	\$ 734,119
2014	139,216
2015	128,667
2016	112,500
2017	114,750
Thereafter	 57,375
Total	\$ 1,286,627

Rent expense for the years ended June 30, 2012 and 2011, was \$987,059 and \$964,511, respectively.

NOTE 8 – PENSION PLAN

The Pension Plan of United Way of the Bay Area (the Plan) is a single employer defined benefit pension plan with UWBA as plan sponsor.

The Plan was amended to freeze participation and benefit accruals under the Plan effective December 31, 2006. Accordingly, no employees will become participants after the December 1, 2006 entry date, and participants' Plan benefits will not increase after December 31, 2006. In no event will the accrued benefit of any participant be less than that calculated as of December 31, 2006.

Accrued pension costs consist of the following at June 30:

	2012		 2011	
Defined benefit pension plan liabilities Defined early retirement medical benefits plan	\$	6,961,736 96,679	\$ 3,566,669 116,014	
Total accrued pension costs	\$	7,058,415	\$ 3,682,683	

The following information sets forth the Plan's projected benefit obligation, fair value of plan assets, unfunded status and accumulated benefit obligation as of June 30:

	2012	2011
Projected benefit obligation		
Beginning of year	\$ 14,470,264	\$ 14,365,544
Service cost	180,234	205,335
Interest costs	785,797	748,118
Actuarial (gain) loss	3,595,836	(218,891)
Benefits paid	(439,575)	(459,763)
Administrative expenses paid	 (127,074)	 (170,079)
End of year	\$ 18,465,482	\$ 14,470,264
Fair value of plan assets		
Beginning of year	\$ 10,903,595	\$ 8,735,038
Actual return on plan assets	234,133	1,797,697
Employer contributions	932,667	1,000,702
Benefits paid	(439,575)	(459,763)
Administrative expenses paid	 (127,074)	 (170,079)
End of year	\$ 11,503,746	\$ 10,903,595
Funded status of the Plan at year-end (underfunded)	\$ (6,961,736)	\$ (3,566,669)

Amounts recognized for the defined pension plan only in the accompanying statements of financial position are as follows as of June 30:

	 2012	 2011
Prepaid benefit cost	\$ 983,914	\$ 314,799
Additional accrued pension liability for pension plans with a benefit obligation in excess of plan assets	 (7,945,650)	 (3,881,468)
Defined benefit pension liabilities	\$ (6,961,736)	\$ (3,566,669)
Unrestricted net assets, pension liability in excess of intangible pension assets	\$ 7,945,650	\$ 3,881,468

Amounts reflected in the accompanying statements of activities are as follows for the years ended June 30:

	2012		 2011	
Service cost	\$	180,234	\$ 205,335	
Interest cost		785,797	748,118	
Expected return on assets		(876,635)	(701,684)	
Amortization loss		174,156	250,655	
Net periodic pension cost	\$	263,552	\$ 502,424	

The projected unit credit cost method was utilized for measuring net periodic pension cost over the employee's estimated service life. The following table summarizes the assumptions used in computing the present value of projected benefit obligations and net periodic cost as of June 30:

	2012	2011	
Assumptions used in computing benefit obligation			
Discount rate	3.85%	5.40%	
Rate of compensation increase	N/A	N/A	
Assumptions used in computing the net periodic pension costs			
Discount rate	5.40%	5.30%	
Expected return on assets	8.00%	8.00%	
Rate of compensation increase	N/A	N/A	

The investment objective for the Plan is to maximize total return within reasonable and prudent levels of risk. The Plan's weightedaverage asset allocations are as follows as of June 30:

	2012	2011	
Asset category			
Common and collective trusts			
Equity	60.8%	60.8%	
Debt	36.8%	35.9%	
Cash and cash equivalents	2.4%	3.3%	
Total	100.0%	100.0%	

The fair values of the UWBA's defined benefit plan assets at June 30, 2012 by asset category are as follows:

Fair Value Measurement Inputs	 Level 1	el 1 Level 2		Total	
Cash and cash equivalents	\$ 278,313	\$	-	\$	278,313
Large cap equities fund	-		4,187,383		4,187,383
Small cap equities fund	-		1,054,773		1,054,773
International equities fund	-		1,753,708		1,753,708
Bond fund	 -		4,229,569		4,229,569
Total	\$ 278,313	\$	11,225,433	\$	11,503,746

The fair values of the UWBA's defined benefit plan assets at June 30, 2011 by asset class are as follows:

Fair Value Measurement Inputs	 Level 1 Level 2		Total		
Cash and cash equivalents	\$ 358,696	\$	-	\$	358,696
Large cap equities fund	-		3,970,032		3,970,032
Small cap equities fund	-		992,227		992,227
International equities fund	-		1,668,250		1,668,250
Bond fund	 -		3,914,391		3,914,391
Total	\$ 358,696	\$	10,544,899	\$	10,903,595

The estimated minimum benefit payments which reflect expected future service, as appropriate, to be paid by UWBA are as follows:

\$ 679,271
717,864
820,300
828,026
866,274
 4,868,063
\$ 8,779,798

UWBA contributed \$932,667 and \$1,000,702 to the Plan during the years ended June 30, 2012 and 2011, respectively.

Effective January 1, 2007, UWBA established the UWBA 401(k) Plan. Eligible employees become 401(k) Plan participants on the first day of the calendar quarter following date of hire. 401(k) Plan participants may elect to reduce their compensation by a specific percentage or dollar amount and have that amount contributed to the 401(k) Plan on a pre-tax basis as a salary deferral. UWBA matches 100% of participants' salary deferral contributions, up to a maximum of 2% of compensation (temporarily suspended during the period January 1 – December 31, 2010, according to the Collective Bargaining Agreement dated April 1, 2009 to March 31, 2012). In addition, UWBA makes an employer "nonelective" contribution according to a formula that is based on a participant's age plus service. For employees hired before January 1, 2010, matching and employer nonelective contributions will be 100% vested after two years of service (or age 65, if earlier). Employees hired after January 1, 2010 will be 50% vested after two years of service and 100% vested after four years of service (or age 65, if earlier).

UWBA had a defined benefit early retirement medical benefits plan that covered certain full-time employees who retired as of June 30, 1993. UWBA does not contribute to this plan except to reimburse certain medical and other costs submitted by the Plan's retirees as defined within the agreement. The estimated cost of future medical and other payments as of June 30, 2012 and 2011, is \$96,679 and \$116,014, respectively, and is included in accrued pension costs.

UWBA also has a defined contribution retirement plan under Section 403(b) of the Internal Revenue Code (the "Code"), available to those employees who are not eligible to participate in the 401(k). UWBA does not provide any matching contributions to this plan.

NOTE 9 – TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets were available for the following purposes as of June 30:

	 2012		2011	
UWBA community projects				
Prosperity	\$ 104,697	\$	254,563	
Stability	534,816		230,476	
Survival	 650,630		589,206	
Total	\$ 1,290,143	\$	1,074,245	

NOTE 10 - NET ASSETS RELEASED FROM RESTRICTIONS

Net assets are released from restrictions by the incurrence of expenses satisfying the restricted purposes specified by the donors or by the passage of time are as follows during the years ended June 30:

	 2012		2011	
UWBA community projects				
Prosperity	\$ 1,228,079	\$	873,942	
Stability	2,048,083		3,865,826	
Survival	 688,366		824,096	
Total	\$ 3,964,528	\$	5,563,864	

NOTE 11 – ENDOWMENT DISCLOSURES

Interpretation of relevant law – The Board of Directors of UWBA has interpreted the California Prudent Management of Institutional Funds Act (CPMIFA) as requiring the preservation of the fair value of the original gift as of the date of the donor restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, UWBA classifies as permanently restricted net assets (a) the original value of the gifts donated to the permanent endowment; (b) the original value of the subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the UWBA Board of Directors in a manner consistent with the standard prudence prescribed by CPMIFA. In accordance with CPMIFA, UWBA considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- a. The duration and preservation of the fund
- b. The purposes of UWBA and the donor-restricted endowment fund
- c. General economic conditions
- d. The possible effect of inflation and deflation
- e. The expected total return from income and the appreciation of investments
- f. Other resources of UWBA
- g. The investment policies of UWBA

Spending policy and how the investment objectives relate to spending policy – The endowment fund has a spending policy of appropriating all of the net income earned on the investment of these funds for distribution according to the instructions of the donor at the time the gift is made. The original value of the gifts donated to the permanent endowment is to be classified as permanently restricted and any earnings are classified as temporarily restricted until appropriated for expenditure.

Aggregate amount of deficiencies for donor-restricted endowments – From time to time, the fair value for assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires UWBA to retain as a fund of perpetual duration. In accordance with generally accepted accounting principles, deficiencies of this nature that are reported in unrestricted net assets were \$88,763 and \$0 as of June 30, 2012 and 2011, respectively. These deficiencies resulted from unfavorable market fluctuations that occurred during the period.

The composition and changes in the endowment net assets as of June 30, 2012 and 2011 are as follows:

	Unrestricted		mporarily estricted	ermanently Restricted	Total Net Assets	
Endowment net assets, June 30, 2010	\$	(68,631)	\$ 242,390	\$ 3,875,631	\$	4,049,390
Contributions		-	-	13,344		13,344
Investment income		68,631	85,458	-		154,089
Net appreciation		-	634,725	-		634,725
Reclassification		-	(163,982)	 -		(163,982)
Endowment net assets, June 30, 2011		-	798,591	3,888,975		4,687,566
Investment income		-	115,298	-		115,298
Net appreciation		-	(290,204)	-		(290,204)
Amounts appropriated for expenditure		-	 (167,188)	 -		(167,188)
Endowment net assets, June 30, 2012	\$	-	\$ 456,497	\$ 3,888,975	\$	4,345,472

NOTE 12 - RELATED PARTY TRANSACTIONS

UWBA's volunteer members of the Board of Directors participate in fundraising events, activities and by making private contributions. UWBA may also have board members that have other direct transactions with the organization. All related parties of UWBA are annually required to read and sign a conflict of interest policy which covers any relationship with board members, volunteers, and staff.

NOTE 13 – SUBSEQUENT EVENTS

On October 15, 2012, UWBA signed a 10 year lease for new San Francisco offices to be located at 550 Kearny Street, San Francisco, commencing on or about March 31, 2013. On September 4, 2012, UWBA signed a 2 year lease extension for the Vallejo office, located at 401 Amador Street, Vallejo. As indicated above in Note 7, on July 30, 2012, UWBA signed an amendment to its existing lease the with Eastmont Towne Center, Oakland, that extended the term to 7 years and reduced both the square footage and the rent for its Oakland SparkPoint Center. Revised terms are slated to commence on or about December 14, 2012.

NOTE 1 – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule"), includes the federal grant activity of the United Way of the Bay Area ("UWBA"), under programs of the federal government for the year ended June 30, 2012. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget ("OMB"), Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations.* Because the schedule presents only a selected portion of the operations of UWBA, it is not intended to and does not present the financial position, changes in net assets or cash flows of UWBA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, Cost Principles for Non-profit Organizations, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

REPORT OF INDEPENDENT AUDITORS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors United Way of the Bay Area

MOSS ADAMS LLP Certified Public Accountants | Business Consultants

We have audited the financial statements of the United Way of the Bay Area (UWBA) as of and for the year ended June 30, 2012, and have issued our report thereon dated November 29, 2012.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of UWBA is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered UWBA's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing an opinion on the effectiveness of UWBA's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of UWBA's internal control over financial reporting.

A *deficiency in control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a significant deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined previously.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether UWBA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, the Audit Committee, management, and federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

loss adams LLP

San Francisco, California November 29, 2012

REPORT OF INDEPENDENT AUDITORS ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Directors United Way of the Bay Area

Compliance

MOSS ADAMS LLP Certified Public Accountants | Business Consultants

We have audited United Way of the Bay Area (the "Organization"), compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of UWBA's major federal programs for the year ended June 30, 2012. UWBA's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of UWBA's management. Our responsibility is to express an opinion on UWBA's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about UWBA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on UWBA's compliance with those requirements.

In our opinion, UWBA complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012.

Internal Control Over Compliance

Management of UWBA is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered UWBA's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of UWBA's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the Board of Directors, Audit Committee, management, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

SECTION I – SUMMARY OF AUDIT RESULTS

Auditee qualified as low-risk auditee?

Financial Statements				
Type of auditor's report issued:	<u>Unqualified</u>			
 Internal control over financial reporting: Material weakness(es) identified? Significant deficiency(ies) identified? 	yes yes	\boxtimes	no none reported	
Noncompliance material to financial statements noted?	yes	\boxtimes	no	
Federal Awards				
 Internal control over major programs: Material weakness(es) identified? Significant deficiency(ies) identified? 	☐ yes ☐ yes	\boxtimes	no none reported	
Type of auditor's report issued on compliance for major program:	Unqualified			
 Any audit findings disclosed that are: Required to be reported in accordance with section 510(a) of OMB Circular A-133? 	🗌 yes	\boxtimes	no	
Identification of major programs:				
<u>CFDA Number(s</u>)	<u>Name of Federal Program or Cluster</u>			
21.009	Volunteer Income Tax Assistance			
Dollar threshold used to distinguish between Type A and Type B programs:	<u>\$300,000</u>			

 \boxtimes

yes

no

SECTION II - FINANCIAL STATEMENT FINDINGS

There were no reportable matters.

SECTION III - FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

There were no findings or questioned costs.
